Employee Feedback Report

The Employee Feedback Report contains large spreadsheets detailing and summarizing your employees' responses (percentages) to the 72 survey questions as well as the employee comments. It will also include detailed instructions on how to interpret the results. National benchmarking is also included so companies can compare themselves to the "Best Places to Work in Healthcare."

Special Offer! Purchase your Employee Feedback Report Now and Save 10% off the price!* This report details the results of your company's specific survey results, includes national benchmarking and the employee comments. Similar reports can cost thousands of dollars if initiated independently.
